

DOLPHIN SUN CATCHER

You will need:

- a large clear (top) and black plastic (bottom) take out container OR clear plastic and black paper
- scissors
- blue, green, and purple markers
- glue

Instructions:

- Carefully trace and cut the black outlines on the black plastic portion of the container. You can also use black paper. If you are new to using scissors, find an adult to help.
- Trace and cut a clear plastic circle the size of the outer circle. Color the plastic in shades of blue, green, and purple as you like.
- Glue the black plastic on top of the clear plastic.
- Add a loop of ribbon at the top of the circle for hanging.
